

Dapto Cricket Club – Junior Sponsorship

Thank you for taking a moment of your day to consider supporting our local sporting club, Dapto Cricket Club Inc.

With our home ground, Reed Park, located on Bong Bong Rd in Horsley, we are Dapto Cricket Club. Established in 1857 we have a proud heritage within our local community and the support they provide to local sporting associations.

Since our foundation, our goal has been to make Dapto Cricket Club the number one cricket club in the local Illawarra competition and with your support we will strive to make this goal a reality. Our junior system is well established with over 100 players involved in every Cricket Illawarra Competition from Junior Blaster Cricket right through to under 17s.

Our Goal is to continue to provide quality players for our Senior Ranks for years to come. We currently have senior teams in senior grades of Cricket Illawarra from 1st Grade to 3rd Grade and are looking to expand our player base with a 4th grade team this season.

With your support we continue to strive to grow our numbers from Blast Cricket, involving kids as young as 5 years old, all the way through to Senior Grade Cricket. Our focus over next few years will be increasing female participation and growing our Blast Cricket Program.

If you have any questions please contact Simon Rees (sponsor liaison officer) on 0403 98 98 76.
